Davis, Masopust Take Run For A Cure Laurels; **Thanksgiving Race Attracts A Record Turnout**

ROXBURY – A New Milford High School sophomore and a former rower at the University of Connecticut were the overall champions in the 13th annual Roxbury Run For A Cure, which collectively raised \$2,558 for three charities.

Stosh Davis, a member of the New Milford High School cross country team, was the overall winner with a time of 17-minutes, 20-seconds on the 3.0-mile course, which started and finished near the Roxbury Congregational Church.

Leah Masopust, 25, who competed in rowing for the Huskies, was the first female finisher and placed 20th overall in a record field of 195 finishers. She was clocked in 20:17 during the annual Thanksgiving Day event. Her sister, Alison Masopust, 29, placed 21st, just two seconds behind her.

The turnout far exceeded the 169 finishers from 2012.

The \$2,558 in proceeds will go to the cancer center at New Milford Hospital, the American Cancer Society's Relay For Life's Shepaug Valley chapter and to purchase a new digital stopwatch for the weekly Roxbury Road Race Series.

The runners in the series, the church and the Roxbury Recreation Commission co-sponsored the event.

They thank the members of the Roxbury Fire Department for assisting with traffic control.
