

## **New Milford High School Receives \$600 Grant From Roxbury Road Race Series**

ROXBURY – The New Milford High School cross country and track & field programs received a \$600 grant Monday, Apr. 21, from the Roxbury Road Race Series, to purchase practice T-shirts and defray some expenses to the New England Championship meets.

The weekly road race series has awarded money to area high schools for 15 consecutive years.

In November the runners invited officials at the Nonnewaug-Woodbury, Oxford, Pomperaug-Southbury, Brookfield, New Milford and Shepaug Valley-Washington high schools to submit proposals on how to utilize \$600 or some portion of that sum to benefit their cross country/track & field programs.

A committee of runners from the series selected the recipient after reviewing the proposals immediately following the Mar. 31 deadline.
