

Farrell Flies To Victory At Roxbury

Thanksgiving Charity Five-Kilometer For

Hurricane Relief

ROXBURY – New Milford High School standout Garred Farrell captured the Roxbury Road Races Club series' Thanksgiving Charity Race by outrunning former Nonnewaug High School harrier Dylan Geissinger over the challenging 3.1-mile route.

Farrell was clocked in 17-minutes, 30-seconds, with Geissinger placing second in 17:43 over the loop, which started and finished near the Everett Hurlburt Community Park and went up and down the long hill on Hemlock Road.

Former Roxbury Road Race Series club season champion Dave Harvey, who used to live in Bridgewater, took third in 20:43.

There were 80 finishers in the first-ever event, which generated \$770, from the \$10 entry fees, to support Hurricane Harvey relief in Texas. The series donated the money through the American Red Cross.

The series is tentatively planning to have a second Thanksgiving Charity Race in November 2018.
